Nam loves watching films a lot. Last week, he went to the cinema with his parents. They watched a funny film about a boy who got lost in the forest. His name was Jack. Jack liked the fresh air and peaceful atmosphere in the forest. Every day, he walked in the forest and he sometimes brought back some flowers for his mom. One day, he wanted to go deeper into the forest. But that was a bad decision.

Everything was OK until Jack heard a strange noise coming from behind the bushes. He stopped and stood behind a big tree to see what it was.

A big brown bear was eating honey. Jack was so scared. He wanted to run away but his legs couldn't move at all. He sat behind that big tree quietly until the bear left. Luckily at the end of the film Jack found the way home with a hunter's help. The film was so interesting and everyone was happy.
